# Review meeting feedback

Presentation of <http://www.data-assimilation.net/Documents/sangomaannual1.pdf>, review available at [http://www.data-assimilation.net/Sangomaprivate/283580\\_Review\\_Report100130405\\_20130114\\_112307\\_CET.pdf](http://www.data-assimilation.net/Sangomaprivate/283580_Review_Report100130405_20130114_112307_CET.pdf)

Overall the project is simply on track. Minor recommendations are:

- Assess technology readiness level for the theoretical data assimilation research proposed.
- Include also more linear diagnostic tools in the tools box (similar to proposal)
